Service Features

Underwriting

Our Wholesale/Retail Distributors underwriters have a proven track record that demonstrates technical expertise, quality service and provides the financial protection needed in the event of a loss. Our customers can count on timely quotes that provide complete coverage at a competitive price.

Claims Handling

Our claims adjusters are responsive to the individual needs of our insureds. Claims are responded to promptly, within 24 hours of receipt to minimize interruption of the insured's operations.

Loss Control

Our Loss Control Specialists work directly with the insureds on safety programs and procedures designed to identify, assess and minimize accident risks to improve property, general liability and vehicle safety.
