

Waste & RECYCLING

INSURANCE

Waste and Recycling specialists since 1988

Committed to specialized insurance for select industries

Underwriting managers since 1979, Mattei Insurance Services has made a long-term commitment to the Waste and Recycling industry, one of a select group of specialty programs. Our underwriting, claims, and loss control personnel have extensive experience and in-depth knowledge of your industry. That focus means we can write competitively priced policies providing customized protection for unique businesses.

Complete coverage, competitively priced

Working with our carrier partners, Mattei offers competitively priced, flexible coverage for waste and recycling operations in small- to medium-sized communities. We have designed a number of special enhancements and broadened endorsements to make our policies precisely fit the specialized needs of these operations.

We write all lines of business:

- Automobile
- Crime
- General Liability
- Inland Marine
- Property
- Umbrella
- Workers' Compensation

Enhanced and broadened coverages for a custom fit:

- Property Enhancement endorsement provides increased limits for debris removal and amends/extends Business Personal Property coverage
- Commercial Liability Broadening endorsement provides blanket additional insured coverage and is primary and non-contributory when required by contract
- Commercial Auto Broadening endorsement increases the maximum coverage to \$50,000 for physical damage loss to a hired auto, plus Lease Gap coverage up to \$25,000

- Broadened Pollution Liability for Covered Autos covers sudden and accidental discharge of pollutants
- Equipment Breakdown coverage provided by Hartford Steam Boiler, rated A+ (Superior) by A.M. Best Company
- MCS-90 endorsements available

We understand Waste and Recycling operations

The policies and endorsements we write are unique and specific to the waste industry.

We insure operations related to:

- Bin manufacturing and bin repair
- Cesspool, septic tank cleaning and service
- Document destruction operations
- Material Recovery Facilities (MRFs)
- Medical waste transportation
- Other non-hazardous waste treatment and disposal
- Portable restroom rental and service
- Recycling and collection operations
- Residential, commercial and industrial solid waste collection
- Scrap metal dealers (no processing)
- Transfer operations

Coverage description is summarized. Refer to the actual policy for a full description of applicable terms, conditions, limitations and exclusions.

Financial protection through experienced underwriting

Our underwriters have a proven track record in writing comprehensive policies that provide the financial protection insureds depend upon in the event of a loss. Timely quotes, technical expertise, and quality service are all hallmarks of our expert underwriting team.

Responsive claims handling

Claims handling is as customized and responsive to individual needs as the policies we write. Our claims adjusters respond promptly, within 24 hours of a claim, minimizing interruptions to the insured's operations.

Expert loss control to lower risk and cost

Working directly with insureds, our loss control specialists help develop procedures and safety programs to improve property, general liability and vehicle safety. They are experts in identifying, assessing, and minimizing accident risk to lower the cost of insurance.

Mattei Waste and Recycling coverages are written by SPARTA Insurance, rated A- (Excellent) by A.M. Best Company. SPARTA is the premier provider of customized, unbundled program solutions in the property and casualty marketplace. Learn more at www.spartainsurance.com.

Flexible payment plans

Mattei offers two convenient payment plans. Customers with premiums as low as \$2,000 can choose to pay in 4 or 10 installments.
